Can RCI Bank change the interest rate?	<ul style="list-style-type: none"> • If you were to choose monthly interest payment, you will receive 4.36% gross variable. As this interest is being compounded, over the 12 months this will equate to 4.45% AER gross variable. • The above rate is effective from 15 November 2024. • AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded on an annual basis. • This allows customers to compare interest rates across different products paid at different intervals e.g. monthly, quarterly, semi-annually, annually. • Interest is calculated daily and can be paid monthly or annually, the date we pay your interest is linked to the date we receive your initial qualifying deposit. • Interest is paid on a gross basis meaning without tax being deducted. 								

<p>What would the estimated balance be after 12 months based on a £1,000 deposit?</p>	<ul style="list-style-type: none"> • After 12 months your estimated balance would be £1,045.00 <p>This is based on £1000 being deposited for 12 months at the current rate, with no withdrawals being made during this time.</p> <p>This is for illustrative purposes only and does not take into account your individual circumstances.</p>
